OK, we are working on it and I will try my best to send EPA's comments Tues/Wed. Any comments on the QAPP might come later.

Have a nice time (b) (6)

Hi Janette,

One week would be great and then hopefully we can turn around edits within one week too. Let me know what your team thinks is feasible and we will work to be ready to respond quickly based on that.

Well development is underway, hope to wrap up today.

Thanks for the ongoing communication on this.

Tasya

Note - I am going (b) (6), but back at work Monday.

Hi Tasya. Thank you. I was able to download them just fine. I will ask my EPA team for a very fast turnaround but could you give me a date (besides ASAP) that you think would be reasonable for receiving EPA comments?

Thanks!
